SUSTAINABILITY REPORT “SUSTAINING OUR FUTURE”

Del Monte Pacific Limited is pleased to announce that it has published its FY2020 Sustainability Report, “***Sustaining our Future,***” in line with the Global Reporting Initiative (GRI) framework.

Amidst the pandemic, Del Monte continues to nourish consumers, nurture employees, develop communities, protects the environment, strengthen its corporate governance and sustain its growth. Del Monte believes that sustainability practices help address disruption as illustrated in “***Sustaining our Future.***”

As a leading food company, sustainability forms an important part of Del Monte’s vision, “*Nourishing Families. Enriching Lives. Every Day.*” Hence, our Board of Directors and Management team will continue to invest in the present to sustain the future.
